Configuration

Addon settings are configured in the Manage Addons form.

Training loads the Atlas Systems Training site into a tab on the Main page of the ILLiad Client. Training is **Not Active** by default. To hide the tab on your ILLiad Main page, select **No** and **Save Settings**.

Setting	Default	Type	Description
AutoLogin	False	Boolean	Defines whether the addon automatically logs into the training system.
Username	Blank	String	The username used to log in if AutoLogin is enabled.
Password	Blank	String	The password used to log in if AutoLogin is enabled.

Using this Addon

1. To use the Training Addon, click the **Training** tab located on the Main page. It is found in the Requests group next to the Main tab.
2. The tab opens to display the Upcoming Classes page from the Atlas web site.
3. From here you can register for classes, purchase a training subscription, and access your training account.
4. If the AutoLogin setting has been configured to log automatically into the training system, the specified user's training account subscription is displayed as well.
5. Use the **Back**, **Forward**, **Stop** and **Refresh buttons** on the Training ribbon to move between pages, refresh pages and stop the loading of a page.

Upcoming Class Schedule

See a class you want to attend? Please log in to enroll.

1. Log in to your Atlas Systems account. If you don't have an account you can quickly create one.
2. Select the class or classes you wish to enroll in and click on Enroll.
3. Register one staff member if you will attend as a group in a meeting room with speakerphone and projector (reserves one WebEx seat)
4. Register each person if staff plan to attend individually from their own computers (reserves individual WebEx seats)

Note: No confirmation messages are sent from this registration system. You may click the My Classes link above after registering to see your confirmed classes. An email invitation with login instructions will be sent a few days before the class.
